<b>TERRAIN, MAP</b>	The terrain is the extended version of the relay terrain for the 2024 European Orienteering Championships. It is gently hilly, 150-240 m above sea level, with many erosion forms (ditches, valleys), with small granite boulders. The road network is moderately sparse. Runnability and visibility are very good in open areas, variable in forested and scrubby areas. Map was made for the European Championships in 2024 with IOF regulations, the scales for both days are 1:10.000/1:7.500
