Previous map

An earlier map (1996) of part of the competition area has been uploaded to the Hungarian Orienteering Federation database.

Map

Scale: 1:7500, 1:10000,
Contours: 5m
Refreshed: 2025

Terrain

It is located in a medium mountainous area, 240-420 m above sea level. In places with steep sides, valleys and a richly detailed topography. Mostly well-runnable woodland, with limited manoeuvrability and visibility in places, and all shades of green in places. The terrain is characterised by a moderately dense road network.

Embargoed area

From the date of publication of the notice until the day of the competition, the competitors and their coaches involved in the championship are not allowed to stay in the area marked on the map below, and will be disqualified from the competition.
