Course setter: Lajos Mauer

Event control:

Day 1: Zoltán Gyulai

Day 2: István Gillich

Sportident: Gábor Mohai, László Papp

Competition form

Two days, daytime, individual, open, national ranking competition, with composite results.
On the first day, it is a long-distance race, on the second day it is a medium-distance race.

Event date and time

May 3-4, 2025 (Saturday-Sunday)

Planned start times: Day 1 (Saturday): 11:00

Day 2 (Sunday): 10:00

Location

Vértessomló (Komárom-Esztergom County)

Lookout at Somló-hegy

The village of Vértessomló is located in the foreground of the northwestern slopes of the Vértes Mountains, at the foot of the Somlyó Hill, with its well-kept streets, beautiful houses, and picturesque surroundings.

Terrain

It is a typical Vértes and mid-mountain terrain. The road network is dense. The topography is quite detailed in some places. The sides are steep and cut by valleys. The vegetation is generally good for running, but denser vegetation can also occur in patches. The open areas, on the other hand, can be run very well everywhere.

Embargoed area

From the publication of the invitation, in the area marked on the map below, north-east of the village of Vértessomló, any orientation activity will result in disqualification from the competition.

Map

2024-25-ben LIDAR alapról újonnan, Spiegl János által készített térkép.

New map made by János Spiegl in 2024-25, from a LIDAR base.

Scale in 1:10000 / 1:7500 with contours in 5m, based on ISOM-2017-2 standard, printed on waterproof (Pretex) paper. Previous maps of the terrain uploaded to the event calendar.

Punching

The SportIdent electronic point touch system will be used in the race, and the contactless (SIAC) mode will be activated on both days. There will be a limited number of regular and SIAC plugs to rent, you can indicate your need for this in the e-registration system. The pass fee is 500 HUF / piece / day for normal corkscrews, 800 HUF / piece / day for SIAC. In case of loss, we will ask for 25000 HUF. For children under 14 years of age, traffic jam rental is free of charge.

Results and prices

Based on the summary of the results of the two days. The price giving ceremony is expected to be held on the second day at 14:00. In each category, including the open ones, the first three places will receive a medal, and the first place will receive a small gift.

As usual, all participants in the 10D, DK and open taped categories will receive a small gift at price giving ceremony.

Flex-O

On Saturday, we provide competition opportunities and categories for children and adults with special educational needs without age restriction. Taped courses and a booklet with visual accessibility figures will be provided. The course can also be completed with an escort. All finishers will receive a small gift. Registration for the category is free, you can apply in the tent marked with the Flex-O flag.

Promoting orienteering

We would like to provide your friends, family members or colleagues who want to get acquainted with orienteering sports the opportunity to participate in guided "tours" with maps, individually or in groups, for which you can register at a pre-announced time (expected on Saturday, between 11:00 and 12:00). If you are interested in the opportunity, please enter those interested in the "open promotion" (NyN) category – once is enough if you want to take just one map.

The fee for participation in the promotional event is HUF 1500 per entry, and per map, which includes the fee for the map and the SI card rental.

Race center

The race center will be located directly in the village of Vértessomló, with the parking lot in 1 km walking, in order to free the village from traffic as much as possible.

By public transport, using the Tatabánya-Környe-Várgesztes bus line, the race can be reached by 1 km walking, therefore we do not plan to provide scheduled transport.

A buffet awaits the competitors in the competition center on both days.

We will give drinking water for refreshment at the finish.

We provide toilet and washing facilities, but will not set up a tent for changing clothes.

A kindergarten with easy taped race course will await children in the race center on both days for no extra charge. Each participant will receive a small gift.

A race doctor is available in the race center.

Additional information

Commercial activities must be registered with the race organizers.

Everyone enters the competition at their own risk.

We do not plan to collect waste centrally. Please take home the waste generated.
