## Terrains

### SZEKSZÁRD - SÖTÉTVÖLGY

*(14 km from the Event Center)*

Well runnable, clean forests with minimal undergrowth, with occasional denser areas and fenced clear-cuts. Typical hilly terrain with significant elevation changes. Navigational challenges include spurs, various-sized valleys, and erosion gullies. The network of roads and paths is average.

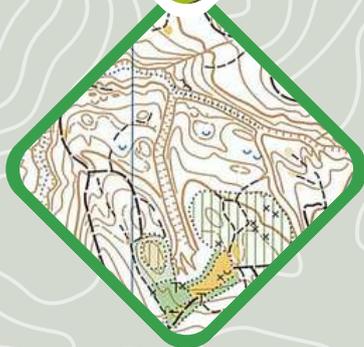

### SZEKSZÁRD - CITY CENTER

*(23 km from the Event Center)*

Highly varied sprint terrain. Hilly in the west, flat in the east. Stairs, retaining walls, multi-level structures and tricky arcades provide continuous technical challenges.

**No ranking orienteering event has been held here before!**

### VÁRALJA

*(12 km from the Event Center)*

Typical East Mecsek terrain with varied landforms, significant climbs and steep slopes. Complex valley and re-entrant systems demand technical navigation. Mostly runnable, clean forest with average path density.

## Maps

According to ISOM 2017-2 and ISSprOM 2019-2 IOF standards using LiDAR data.

### Map Scales:

- **Stage 1-2:** 1:10,000 / 5 m and 1:7,500 / 5 m
- **Stage 3:** 1:4,000 / 2.5 m and 1:3,000 / 2.5 m
- **Stage 4-5:** 1:10,000 / 5 m and 1:7,500 / 5 m

Maps printed on waterproof Pretex paper, no additional plastic cover required.

**Mappers:** Zsolt Bernáth, Gábor Forrai, Miklós Forrai (2025-2026).
